Then, for a total of approximately 4.1 km, go left onto Amsinckstrasse, through the Deichtortunnel and onto Willy-Brandt-Strasse. After approximately 800 m, turn right into Domstrasse and at the crossroads left into Grosse Johannisstrasse. This goes off to the right and becomes Dornbusch. Then turn right on this road onto Kleine Johannisstrasse and right onto Rathausstrasse.

### **From the A 24**

Drive to the end of the A 24, towards HH-Jenfeld. There, you will come across the Horner Kreisel roundabout, which you should leave by going into Sievekingsallee (2nd exit). After 2.1 km, this goes into Bürgerweide. Use the two right-hand lanes to turn right onto Spaldingstrasse after 450 m. This leads into Amsinckstrasse, on which you should take one of the two right-hand lanes through the tunnel. Then turn right onto Domstrasse and at the crossroads left onto Grosse Johannisstrasse.
